

Serving our community under Covid-19

Following directives as issued by Alberta Health Services (AHS) and the Alberta College and Association of Chiropractors (ACAC)

Stay at home when needed

Travelled internationally in last 14 days?
Had unprotected (no PPE) close contact with a confirmed or presumed case of Covid-19?

If so, we are not permitted to allow entrance into our facility. Happy to reschedule your visit for you!

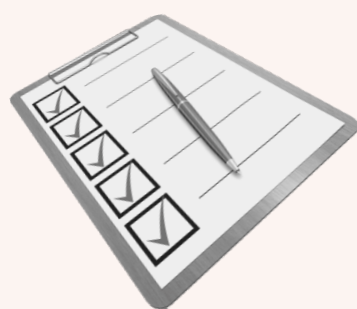

Hand Hygiene and Masks Required

Prior to admittance, hand hygiene is required with Health Canada approved products. Masks required, some exceptions permitted.

Covid Questionnaire

Prior to building entrance, you are required to complete a questionnaire.

If any questions are answered YES, we will reschedule your visit for another time.

By appointment only

At this time, only those with an appointment are permitted in the building. Caregivers and guardians are permitted. Guests are not able to enter the building.

Watch for other symptoms*

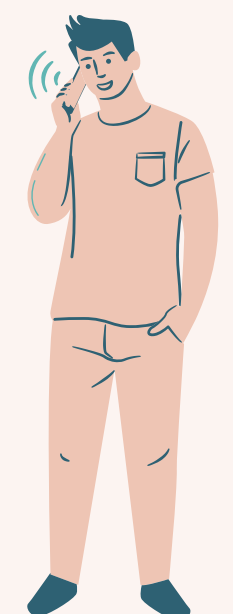

Aside from fever, Covid-19 symptoms include cough, sore throat, shortness of breath, runny nose, nasal congestion, loss of smell or taste.

**that are not pre-existing*

No Charge Cancellation

Should you be unable to attend your visit due to Covid related symptoms or conditions, there is no charge for cancelling your visit.

Social distancing

Limited number of members allowed in the building at one time. 6ft of distance accounted for between members.

Cleaning, Disinfecting and PPE

Strict adherence to sanitization and PPE use implemented building wide. All products comply with AHS, ACAC and Health Canada requirements.
